ANNUAL PIERMONT PUBLIC LIBRARY REPORT

At this time we wish to express our thanks to our many friends and patrons for their gifts and loyal support to the library. The records for the year show that there has been a circulation of 3,545 books and magazines; of these 1,496 are adult fiction, 118 adult non-fiction, 1,016 juvenile, 20 juvenile non-fiction, 695 adult magazines, and 200 juvenile magazines.

We purchased 49 books during the year, and had 182 books given to the library. We subscribe for six of the leading magazines, and have seven others given to us regularly.

We wish to especially thank Mr. and Mrs. Ernest Underhill for the hand-painted picture of a local scene, the work of the late Miss Adelaide Palmer.

Respectfully submitted,

NITA P. HOWARD, Librarian.

Because of a convenient transportation arrangement

it has been possible, this year, to have all the eighth grade pupils come to the village school. This has relieved a somewhat congested condition in the Brook Road School and has caused no overcrowding in the village. There also seem to be advantages for the pupils in being together in one group during their last year.

At the present time there are ten pupils living in East Piermont and attending school at Atwell Hill. While this number might be large enough to make a school, it would cost more to fit up a building and employ a teacher than it does to pay the tuition and transportation. More state aid has been approved for this year by the State Board to help offset this added expense.

The buildings are in good condition and will probably require only such repairs as are called for by ordinary usage and weathering.

The loyal support of the schools by the parents and other residents of the district has been appreciated by the Board and Superintendent. Any suggestions for the good of the schools and the welfare of the children will be welcomed and given careful consideration.

Respectfully submitted,

EDWARD A. JANES, Superintendent.
